Exhibition Hours: 8:30 a.m. – 2:30 p.m. (During cafeteria service hours), or by appointment.

Contact: Miriam Clnquegrana at miriamc@ldeo.columbia.edu

Alfons Rodríguez, award-winning photographer and filmmaker, presents The Melting Age — a series spanning seven continents and 30 countries. First launched at COP28 alongside a film and book, his work continues to be exhibited in museums around the world.

Fatma Kadir, is an oil painter. She debuted her Melting Age series at the National Lighthouse Museum in early 2025. Her four striking paintings focus on the human toll of climate change.

Selva Ozelli is an award-winning artist, writer, lawyer, and CPA. Her Orcas & Glaciers series, originally launched at COP29 for the CUHK Jockey Club Museum of Climate Change. Her work captures the effects of melting glaciers on orca populations.
